Re: **United States v. Tetiana Berriors**  
**23-CR-267 (MKV)**

Dear Judge Vyskocil:

Tetiana Berriors, through undersigned counsel, respectfully requests an extension of time to complete the conditions of her release. A condition of Ms. Berriors' release is to obtain two-co-signers on a \$100,000 bond. Undersigned counsel previously proposed an alternative arrangement to the government, whereby the bond be secured by an interest in real property. Necessary supporting documents have been submitted to the government. The government, however, is still in need of additional time to investigate this proposal. Accordingly, Ms. Berriors requests an additional two-week extension of time to satisfy her release condition (i.e., until August 11, 2023). The government has no objection to the extension of time.

**Granted. SO ORDERED.**
